## BUSINESS CLASS PRESENTS PLAY

Graduating Class at the High  
School Also Holds Class  
Night Exercises.

In addition to the usual speeches that  
make up the program of a class night,  
the four-year graduating class of the  
Business High School presented a short  
play last night at its class night exer-  
cises held in the assembly hall of the  
school.

"A Regular Fix," a farcette, was pre-

Leah Reichard, Helen Gibbons, David H.  
Wetzel, Romine Taylor, Helen Eisenstein,  
Robert Miller, Allen Carpenter, Edward  
Grass, Sterling Chamberlain, Edith M.  
Evans.

Allan Davis, principal of the school, in  
making the faculty address, told of the  
achievements of some of the former stu-  
dents of the school, and called attention  
to the fact that several of the graduat-  
ing class are in the District militia, which  
is likely to see service in Mexico soon.

C. Albert Parker, president, delivered  
the address of welcome, and William  
Johnston told of the history of the class.  
Principles were given by Miss Blanche  
Bauchman and Miss Helen Moore.  
The address to the undergraduates was  
made by William Mazo, and the reply  
was delivered by James Wilkes.

## Class Poem by Miss Wright.

The class poem was recited by Miss  
Mary Heift, and Samuel Moore was valed-  
ictorian. Lester Lawrence and Arthur  
Baily, both graduates, gave a banjo and

School Orchestra played while the gradu-  
ates marched into the hall.

dent; Emma Smith, secretary; Romine

eral scholarships to Washington colleges  
will be awarded.

Sunt. H. W. Kline.

The Central Union Mission will hold

## APPROPRIATION BILL DELAYED IN COMMITTEE

Even Granted Speedy Action, Measure  
Not Likely to Become Law  
Until After July 1.

Indications were clear yesterday that  
the District appropriation bill will not  
be enacted in time to go into effect July  
1, and that a series of joint resolutions  
continuing the current appropriations will  
have to be passed, to keep the wheels of  
the local government turning.

The District bill is now in the sub-  
committee of the Senate Appropriations  
Committee. The first meeting of that  
committee in two weeks is scheduled  
for this morning at 10:30 o'clock. It is  
the intention of Senator Smith, of Mary-  
land, to push the bill as rapidly as pos-  
sible. It is the purpose to give hear-  
ings to citizens and organizations op-  
posing the rider in the House bill which  
abolishes the half-and-half plan.

Granted even rapid action by the sub-  
committee and the full Appropriations  
Committee, and a speedy passage of the  
bill in the Senate, it is not thought prob-  
able that the measure will come out of  
conference in time to be accepted by  
both Houses and sent to the President  
for his approval before July 1.

heat insulation that  
the heat generated  
is concentrated on  
the food and not on

means a cool kitchen  
as well as a comfort-  
able cook.

The Electric Range does perfect work because of the  
positive and exact control over temperatures which its con-  
struction gives to the operator. Furthermore, all vapors and  
natural juices are retained and cooked through the meat with  
their full flavor and nutritive value. For this reason, also,  
shrinkage of food is less.

## MEMBERS' STATUS INQUIRY STARTS

National Guardsmen in Con-  
gress Soon to Know Opin-  
ion of Committee.

Investigation of the status of several  
members of the House who are officers  
of the National Guard was begun yester-  
day by a subcommittee of the Judiciary  
Committee. Meanwhile, the interested  
members are themselves in a quandary  
as to whether their paramount duty is  
service in Congress or on the border.

Representative L. C. Dyer, of Missouri,  
a former officer of the National Guard, is  
a member of the Judiciary subcommittee,  
which will ascertain the status of such  
House members. Representative Chip-  
field, of Illinois, a lieutenant colonel and  
judge advocate of the Illinois National  
Guard, made this statement yesterday:  
"During the civil war John A. Logan  
resigned from the House to enter the  
service. I do not think a member of Con-  
gress could receive two salaries, but we  
could probably take the salary of an of-  
ficer of the Guard and go back on the  
rolls upon our return to active duty in  
Congress."

Among the members of Congress who  
are interested in the investigation now  
being made by the Judiciary Committee  
are Representative Tilden, of Connecticut,  
a lieutenant colonel in the Connecticut  
National Guard; Representative Crago,  
lieutenant colonel in the Pennsylvania  
National Guard; Representative Nicholls,  
of the South Carolina National Guard;  
Representative Temple, a chaplain in the  
Pennsylvania Guard, and Representative  
Chipfield.

## NEW NOTE TO AUSTRIA.

Document on Petrolite Case Ready  
for Dispatch.

Secretary of State Lansing said yester-  
day that a second note to Austria re-  
garding the attack, early this year, by  
an Austrian submarine on the American  
tank steamer Petrolite would be sent to-  
day or tomorrow.  
It is understood that the United States  
demands an apology for the attack and  
reparation for the damage.

## Mgr. Mackin Gives Diplomas.

Mgr. James F. Mackin, of St. Paul's  
Catholic Church, awarded diplomas to  
the graduates of St. Mary's German Cath-  
olic School last night at 8 o'clock. A  
program of songs, recitations and drills  
were held. The Rev. John R. Roth,  
pastor of St. Mary's German Catholic  
Church, announced the graduates. They  
were Misses Mary Frank, Margaret  
Kramm, Teresa Ruppert, Edith Ritz,  
Marine Spahn, Catherine Wolf, and Fred  
Diegelmann and Louis Stumph.
